#### **2022 Year 11 – Fantastic Results!**

This year, after the return to external examinations the school is delighted and thrilled with the really impressive GCSE results of Year 11, as published today.

After much disruption to their education over the last two years, Year 11 students should be incredibly proud of this great and justly deserved achievement resulting from all their hard work and commitment.

Congratulations to all our staff who have worked tirelessly as always in supporting our students with steadfast dedication. Also, many thanks to our parents and carers for their continued support to the school and in helping to prepare their sons and daughters for their examinations.

There were many exceptional performances, in particular, there were 52 Students gaining 8 or more A\*/A grades and 31 students with 10 or more.

Finally, the school would like to congratulate all Year 11 students on their individual results, and we wish them well for their future. We look forward to many of them returning to our Sixth Form in September. The following pupils gained 8 or more A grades:-
