The Sixth Form Information Evening for Year 11 will be held on Wednesday 15th January from 5.00pm to 7.00pm. The evening will begin with an introduction to the Options process by senior staff in the Sixth Form Hall at 5.00pm. Following this, students and parents/carers will have the opportunity to visit different areas of the school (as listed above) and speak to teachers who deliver our Sixth Form subjects. Staff will be able to discuss the content of the course offered, methods of assessment, extra-curricular opportunities, possible future education or employment pathways and any other questions pupils might have. It is a fantastic opportunity to help Year 11 students think about their future and make the best decisions.

We encourage all Year 11 students to attend this event, regardless of whether they currently intend to return to the Sixth Form. It is also advised that students speak to as many subjects as possible, even if they think they know what they want to study already.

If you have any specific questions regarding the options process, the Sixth Form leadership team will be available at the event to speak to you individually.

For health and safety reasons please could we ask for all parents/carers to sign in on arrival in the 6th Form Hall.
